

Olde Sawmill Elementary PTO  
Fall MUMkin & MUM Sale

Today kicks off our fabulous Fall MUM Sale. Attached you will find a beautiful flyer describing all the options for your beautiful Fall harvest landscape and decorating. Take a look; plan your gardening, order and feel Autumn coming soon.

Please share the flyer with friends, family, neighbors and at work, every order helps us reach our goal.

**They buy plants somewhere, why not from an OSE Student?**

The mums in this sale are not your typical low quality fundraising products. Foertmeyer and Sons Greenhouse in Delaware, OH offer high quality and value rich plants and pots that won't embarrass you and be happy to promote.

Ask anyone...they were beautiful last year!

**OUR GOAL IS FOR EVERY STUDENT TO SELL 5 ITEMS.**

**Reaching this goal will raise over \$10,000 for our school.  
 Meeting this goal will help us bring an **EXTRA** day of COSI
